

# Photo Assignment

---

*Take a picture of a toy or other non-living object*

*Things to remember:*

- This is a very simple assignment. Do not place any restrictions on your child. Just let them be creative and see what happens.
- Save your child's photo in a separate folder so you can view it again later.
- Use Program(P) or AUTO mode
- Turn off your flash
- Lock your focus
- Plan your photo below
